

*Identifying and funding  
educational programs in the field of  
Technical Analysis since 1993*

## SUPPORT THE FOUNDATION

The Foundation's commitment to introduce technical analysis into colleges and universities includes providing transportation for guest speakers for professors' classes, training for college/university professors and course materials which include lecture notes, corresponding charts in PowerPoint format, reading lists, exams and sources for text books and required reading.

Please consider a contribution to help keep this commitment.

Yes, I wish to support the MTA Educational Foundation
