

# Market Technicians Association

*“What Sets You Apart from Other Professionals in Your Field”*

*Networking, Education and Connections*

## MTA AND THE STUDENT BODY

### Significant Student Discounts Available

*The MTA urges individuals to join this fast growing association early in their professional careers.*

- Students receive a discounted membership rate of \$75, versus \$300 for regular members (a savings of 75%).
- Students receive a 50% discount on the CMT Institute (online CMT prep courses) and our networking events (annual seminar).
- Students receive all the same benefits/privileges as the current membership.
- For a complete listing of member benefits, please visit the MTA website at [www.mta.org](http://www.mta.org).

With the volatility in today’s markets, many of our members have taken advantage this student membership to get a “head start” on obtaining the CMT designation, and the educational value that it provides.

### About the MTA ...

The Market Technicians Association (MTA) is a not-for-profit professional regulatory organization servicing over 2,800 market analysis professionals in over 61 countries. The MTA’s objectives involve the education of the public, the investment community, and its membership in the theory, practice, and application of technical analysis.

The MTA’s Chartered Market Technician (CMT) designation is the only designation for technical analysts that qualifies as a Series 86 exemption, as recognized by FINRA. For more information on the MTA, CMT Program, networking opportunities and events, please visit the MTA website at [www.mta.org](http://www.mta.org).
